MOTTO

The most beautiful way of life is to be grateful for what
we have lived every day, without any regrets.

Appreciate every process we go through,
make it a moment of the beautiful journey of our lives...

It's not about who comes first,
but about who lasts to the end.

Likewise compound together,
you and I will always be connected to countless times...

This study aims to determine whether students' reading comprehension has improved after teaching learning by using the Storybird website at class XI MIPA 1 of SMA Hang Tuah 4 Surabaya. This research implements the classroom action research method. This research was conducted in 2 Cycles where each Cycle includes 4 stages, namely (1) Planning, (2) Action, (3) Observation, (4) Reflection. The results of the research in the first cycle were not successful because 60% of students were able to pass the success indicator, so improvements were made in the second cycle which resulted in success with 85% of students able to achieve and pass the success indicator. Based on the results of the study, it can be concluded that learning using the Storybird website can improve students' reading comprehension in class XI MIPA 1 of SMA Hang Tuah 4 Surabaya.
