Greetings,

First of all, thank you for your support and congratulations again for your abstract acceptance to the ASAIHL Conference 2016 that will be held on 4-6 December 2016.

In order to ensure that the presentation sessions can be conducted smoothly, I request that every presenter to submit their slides to this email. Note that due to a huge number of presentations this time around, each presenter is given 10 minutes of presentation before Q&A. Just a simple suggestion, the rule of thumb is usually 10 minutes = 10 slides. For the country report presentation, you are given 15 minutes of presentation time.

Kindly send in your slides to this email. Please put the title of the presentation slides as follow: "Paper ID_Session #". For instance, if your paper ID is P001 and the presentation session is 2.2, then your presentation file should be named "P001_2.2". There is no standard template for the slides.

Thank you for your kind attention and looking forward to see you in Malaysia.
