Dear Prof. Dr. Eldon Y. Li,

Ref: My submission "Children and Advergame: The Role of Presence, Flow, and Persuasion Knowledge" for International Journal of Electronic Business (IJEB).

I have completed the required tasks:

- Restored the author's names, email addresses, mailing addresses and Biographical Statements in the "Author's final version" of my submission.

- Updated the metadata (mainly abstract and keywords) according the recommendations received from the Editor, making sure that the title, abstract and keywords are totally free of English Spelling and Grammar errors.

- Uploaded the "Author's final version."

- Uploaded a zipped file with the Copyright Agreement forms signed by each author.

If you have any questions, please contact me.

Dear Santirianingrum Soebandhi, Sri Hartini, Sri Gunawan,

Ref: Submission "Children and Advergame: The Role of Presence, Flow, and Persuasion Knowledge"

Congratulations, your above mentioned submitted article has been refereed and accepted for publication in the International Journal of Electronic Business. The acceptance of your article for publication in the journal reflects the high status of your work by your fellow professionals in the field.

You need now to login at http://www.inderscience.com/login.php and go to http://www.inderscience.com/ospeers/admin/author/articlelist.php to find your submission and complete the following tasks:

1. Save the "Editor's post-review version" on your local disk so you can edit it. If the file is in PDF format and you cannot edit it, use instead your last MS Word revised version, making sure to include there all the review recommendations made during the review process. Rename the new file to "authorFinalVersion."

2. Open the "authorFinalVersion" file and remove your reply or any response to reviewers that you might have in the front of your article.

3. Restore the author's identification, such as names, email addresses, mailing addresses and biographical statements in the first page of your local file "authorFinalVersion."

4. IMPORTANT: The paper is accepted providing that you, the author, check, edit and correct the English language in the paper. Please proofread all the text and make sure to correct any grammar and spelling mistakes.

5. Save your changes in the file "authorFinalVersion" and use the "Browse…" and "Upload" buttons to upload the file on our online system.

6. Click on "Update Metadata" to correct the title, abstract and keywords according the recommendations received from the Editor. You must make sure that the title, abstract and keywords are totally free of English Spelling and Grammar errors. Do not forget to click the "Update" button to save your changes.

7. Once you have updated the metadata, check the box "Yes."

8. Upload a zipped file with the Copyright Agreement forms signed by each author. We need a signed author agreement form for every author and every co-author. Please insert the full names of all authors, reflecting the name order given in the article.

9. To see a sample of real articles that have been published in the International Journal of Electronic Business visit http://www.inderscience.com/info/ingeneral/sample.php?jcode=ijeb.

Finally click on the "Notify Editor" button to let the editor know that you have completed the six tasks.

Your continuing help and cooperation is most appreciated.

Best regards,

Prof. Dr. Eldon Y. Li

PROOF OF PAPER FOR CHECKING

    Title: Children and advergame: the role of presence, flow and persuasion knowledge

Dear Author,

The amendments you requested to your paper have been incorporated and I attach a copy for you to confirm the changes have been made correctly as it may not be possible to make any further amendments at this stage before publication.

To avoid delay to publication it is important that you email confirmation of your acceptance of the proof as soon as possible and certainly within the next seven days. If we do not hear from you again within this time we will process the corrected paper for publication.

You will receive a pdf via email with full citation and page numbers when the issue is sent to press.

The paper can be seen listed as forthcoming at: http://www.inderscience.com/info/ingeneral/forthcoming.php?jcode=IJEB

The DOI is assigned when the paper appears online.

Many thanks

Kind regards

PROOF OF PAPER FOR CHECKING

Title: Children and advergame: the role of presence, flow and persuasion knowledge

Dear Author

I attach the proofs of your paper for inclusion in the International Journal of Electronic Business to be published by Inderscience Publishers.

Please check the paper and confirm acceptance or let me have any amendments/ changes within <u>2 weeks</u> of the date of this e-mail.

Where there is more than one author, please indicate who is the corresponding author if not already shown and kindly respond to any queries in the paper.

Please ensure that you send <u>ALL</u> amendments with your reply as it is unlikely that any further changes will be possible. You will be sent a final revised version to approve after your amendments have been incorporated.

Detailed requirements for the Abstract and Keywords can be found on the Inderscience website www.inderscience.com under Notes for Authors

- **Abstract**: approximately 100 words, maximum 150.
- **Keywords**: approximately 10-15 words or phrases.
  Keywords are important for online searching. The Importance of Keywords. Metadata (title/author details/abstract/keywords) is a vital part of any paper, since, in our online world, it is the metadata which is freely available to all users and is sent to many and varied online sources, from which users undertaking online searches will trace the paper. If you want your paper retrieved by the maximum number of people, the metadata is vital. The **Keywords** field is essential in that this is the most frequently searched field if search results.
- **Biographical notes:** approximately 100 words per author, maximum 150.

<u>**To ensure the publication schedule is maintained and in the event of you not replying within this timescale, contact will be made with the Editor of the issue and it is possible that the paper will be held back from publication.**</u>

It is the policy of Inderscience Publishers not to publish any papers unless final approval of the edited copy has been obtained from the author.

May we ask you to indicate your amendments using one of the following:

- list the corrections/amendments in an MS Word file (see attached)

- make annotations on the PDF

- list in an e-mail and indicate the page number, paragraph or line one by one
  copy a portion of the text that needs correcting so we can locate them making the implementation of corrections more accurate

If any figures appear in colour, please note that they will only appear in colour in the online version but in the printed version they will be in black and white.

If the quality of the colour figure supplied is not suitable to be produced in colour, it will only be shown in black and white in the online version. However, if colour is essential to the figure please send a better quality colour image with your proof reply

Many thanks

Thank you for your information and for the amendments that have been incorporated. But how about the abstract in the web (forthcoming article) since it is still in the previous version and I couldn't make any change through the metadata system.

In addition, as the corresponding author and on behalf of all authors, I confirm that the manuscript has been read and the changes have been made correctly.

Thank you
