Dear Author(s),

International Journal of Advanced and Applied Sciences

IJAAS-220359 - "Application of Fuzzy Analytical Hierarchy (FAHP) for Choosing Best Project Cost Estimation in Gresik District"

Further to the submission of your manuscript, I am pleased to advise that it has been reviewed and **accepted for publication** in the and Applied Sciences' next issues.

Here are the reviewers' comments. Please take proper measures in modifying your manuscript while providing us with a response le

- The abstract section is not a good representative of the whole manuscript. The abstract should contain the purpose of the work, bri other works, and stating the power and loss regarding other works.
- Citation in the text and references, in the end, should be exactly based on the journal standards (Harvard Referencing Style). You c more information: "<http://www.citethisforme.com/harvard-referencing>". Above 80% of references must include valid DOIs
