ACKNOWLEDGEMENT

With the divine grace of Allah SWT, I must say Alhamdulillah for all the blessings, strengths, and chances so that I am able to finish this final assignment at the right moment he wants. What is certain is the constant prayers from my parents and also their very meaningful support. I am so grateful for having them in my life including my sister Gladysia and brother Evandiego.

I would also like to give special thanks to my husband Rizky Mauladani Saputra. I could not have done this without your love, support, and encouragement. Thank you for always being there for me and for your patience also understanding during this process.

I owe my deepest gratitude to my supervisor lecturer Drs. Heru Wibowo, M.Pd. Without his continuous supportive guidance, this study would hardly have been completed. I am also deeply grateful to Dra. Bkti Wirawati, M.Pd and Drs. Johnny Sugiono, M.Pd for their presence in supporting and encouraging me to complete this final assignment. I want to express my gratitude to the examiner Dr. Ribut Surjowati, M.Pd for her advices to me during the presentation. For all of the lecturers in English Department of Education, it is an honor for me to be taught by the experts. I also want to say thank you to Dr. Fransisca Dwi Harjanti, M.Pd the dean of Faculty of Language and Science and Dr. Kaswadi, M.Hum for the mental support so that I am able to reach this point.

Finally, I would like to thank to my best friends who always support me and push myself to finish this final assignment Rizky Gali, Cici Dwi, Ayu Ratnasari and Veronika. For the “Family Gathering” although they are not supporting me in finishing this Final assignment, they always put smile and

laughter in my face and it recharges my mood to work on my final assignment. Thank you for the togetherness and accept me as a family member.

I hope this paper will be useful knowledge for those who are interested in this major of teaching. Suggestions and critics are very acceptable for the improvement ahead.

Abstract

Media is a tool to facilitate the learning activity by teachers to students. It makes students more attached and focus with the lesson. In this article TikTok which become popular app nowadays and mostly used by students, used as a tool to teach speaking towards students. This article also aimed to motivate students to learn English and improve their speaking skill also increasing their self-confidence to speak English which will be useful for their future education level even for their careers later on. This article is able to suggest teacher to get more creative in order to make the lesson they taught innovative by using something related with students in millennial era nowadays. Teacher absolutely will get new experience in teaching student by using TikTok especially Duet me: Acting challenge as an anti-mainstream media in teaching. By using it in speaking class, teacher and students will be attractive to get communicated one another to discuss about their lesson by watching and practicing video taken from TikTok, and it makes teaching and learning activity goes well, fun, and interesting.
