ABSTRACT

Larasaty, Fionia Rosa Regina. 2020. *The Disreputable Qualities of Dorian Gray As Seen In Oscar Wilde's The Picture of Dorian Gray*. Wijaya Kusuma University. Dukuh Kupang. Surabaya.

Advisors: (I) Dra. Bektı Wirawati, M.Pd. (II) Dr. H. Heru Wibowo, M. Pd.

This study is about to find the disreputable qualities of Dorian Gray and also the disreputable qualities of Dorian Gray affect the other characters as seen in Oscar Wilde's *The Picture of Dorian Gray*.

The researcher chose this novel because this novel provides many students with a good life for us so that we do not enter into the dark world only for worldly happiness or for a moment which ultimately harms us and those around us. In this research I used qualitative research with four stages: collecting samples from Oscar Wilde's novel *The Picture of Dorian Gray*, identifying the disreputable qualities of Dorian Gray and the disreputable qualities of Dorian Gray affect the other characters that are there, describing the disreputable qualities of Dorian Gray and the disreputable qualities of Dorian Gray affect the other characters that are there, and explaining the disreputable qualities of Dorian Gray and the disreputable qualities of Dorian Gray affect the other characters that are there.

Based on the results, it can be concluded that there are a lot of the disreputable qualities that exist in the main character of this novel. The disreputable qualities that exist in the main character greatly affected for the other characters in the novel *The Picture of Dorian Gray* and the affects are very negative for the other characters of this novel.

Key Word: intrinsic elements, disreputable qualities, Dorian Gray, novel.
