No. 26/MoA/UWKS/VIII/2019

Surabaya Declaration

The implementation of the "Memorandum of Agreement (MoA), collectively as well as mutual cooperation, is to hold the international seminar. The implementation priorities are: (1) to bring together academics, scientists, researchers, practitioners and students in international scientific forums; (2) to share and discuss theoretical and practical knowledge about innovation in science. This international seminar can be used as a scientific forum to accommodate discussions among researchers in various fields of science. To unite parties to work together or collaborate in publicizing the advantages, minimizing deficiencies, and benefiting all parties who work together or in partnership "in total or overall" in the development of the education community.

The implementation of a "Memorandum of Agreement (MoA) " between Chang Mai University Thailand and Universitas Wijaya Kusuma Surabaya for organizer partners starting from Saturday, August 3 2019. This Network Memorandum of Agreement (MoA) covers the international seminar's theme: " International Seminar on 2nd World Conference Management, Business, Accounting, Sustainable Development, Engineering, Computer & Applied Science".
