In learning English, Listening is one of most important skills that should be mastered by student. But in fact, many student are still less confident about their capacity to listen especially for student of SMA NEGERI 12 SURABAYA. It is caused by media of teaching listening which is not interesting for students. As a result, the student prefer to be passive during the listening process. Therefore, in this paper, the writer suggests the teacher to use English TV Series as a media for teaching listening. By using English TV Series, the student get new experience in their learning, so the student will get new motivation to identify what is discussed by someone on the TV Show.
